

eResult Portal — Marks Entry System

The online examination and marks recording portal is now active. All teachers are requested to complete their self-registration and subject mapping within this week.

STANDARD REGISTRATION & LOGIN PROCEDURE

1 One-Time Registration

- Visit: result.lisdnn.org/registration.html
- Enter your full name and official mobile number.
- Set a personal **4-digit PIN** (avoid default '1234').
- **Important:** Note down or take a screenshot of your assigned **Username** upon submission.

2 Subject & Class Mapping

- Tick each **Class & Subject** you teach (e.g., Class 6 → English).
- If teaching across multiple classes, check the subject under each corresponding class.
- Only mapped subjects will appear in your evaluation entry panel.

3 Admin Review & Approval

- The administration team reviews your requested subject allocations.
- Any overlapping or missing subjects will be adjusted by admin.
- Account access gets activated right after approval.

4 Portal Login

- Visit the portal: result.lisdnn.org
- Type your assigned **Username**.
- Enter your **4-digit PIN**. The system will log you in automatically upon entering the 4th digit.

Marks Entry Workflow

1. Select Class & Subject

2. Select Assessment

3. Enter Marks
(Type AB for Absent)

4. Press [Enter] for Next Student

5. Tap 'Save Marks'

⚠ Subject Corrections

If any class or subject is missing from your list or incorrectly assigned, report to the school admin office immediately.

🔑 PIN Management

To change your security PIN, navigate to *Account* ▾ → *Change PIN* after login. Contact the admin if you forget your PIN.

💡 Mobile Shortcut Tip

Open the website in Google Chrome on your smartphone and tap **"Add to Home screen"** to use it like a native app.
